

St. Francis Episcopal School Parent Teacher Organization

The goal of the Parent Teacher Organization is to provide support to the teachers, administration, and school as they create an encouraging, fun, and productive educational environment for our children.

Dues are \$15.00 per family per semester. Dues are collected as a means for supplementing the PTO budget for all special events throughout the year, as well as teacher appreciation and monetary and gift donations to the school for the purchase of supplies, technology, and playground equipment. Please complete this form and return it, along with payment, to the school or the PTO treasurer, Melissa Stacey.
